

READ-ALOUD BIO FOR DAN NELSON

(FOR THOSE SETTINGS WHEN AN EMCEE IS
INTRODUCING DAN AT AN EVENT)

“Dan Nelson honed his artistic craft
in the privacy of an illustration studio for many years
before he discovered his REAL calling--

PAINTING WITH AN AUDIENCE!

. . . In a TUX!

. . . With TWO HANDS!!

Dan says he literally paints BETTER with an audience . . .
Which he now finds all across America painting for
weddings,
fundraisers,
corporate functions and
festivals.

And he doesn't even mind interruptions!
Feel free to chat with Dan while he finished today's (tonight's)
painting of [--- NAME OF FUNCTION ---].
